### What are Semaglutide & Tirzepatide

#### SEMAGLUTIDE

Semaglutide, recognized as a glucagon-like peptide receptor agonist (GLP-1 RA), is the active ingredient in Wegovy® which is FDA-approved for long-term weight management.

#### TIRZEPATIDE

Tirzepatide is an innovative dual GIP/GLP-1 receptor agonist with the same active ingredient in Zepbound™ which is FDA-approved for chronic weight management in adults with obesity or who are overweight.
